

The Epilepsy Foundation of Michigan  
Proudly Presents

## The 2007 Epilepsy Today Conferences

### How can these conferences benefit you?

Enhancing the quality of life for people with epilepsy is the objective of these conferences. They are designed for individuals with epilepsy, their families, and others whose lives are touched by epilepsy – including caregivers and professionals serving people with seizures.

*Nurses:* Participants may receive a maximum of 5.6 contact hours as approved by Michigan Nurses Association.

*Teachers, Administrators, School Psychologists:* Participants may receive a maximum of .50 State Board – Continuing Education Units.

### TOPICS DIFFER AT EACH LOCATION, BUT MAY INCLUDE:

**Current Treatments and Diagnoses for Epilepsy**

**Improving Memory, Attention and Cognitive Abilities: A Neuropsychological Perspective**

**Transition from Youth to Adulthood: Planning for Independence**

**Employment and Epilepsy**

**Emotional Well Being and Epilepsy**

**Epilepsy and Sleep**

**Complementary Therapies for Epilepsy**

**Epilepsy Open Forum/ Q&A**
